Institution – R.K.Talreja Collage (Percentage: 78)	*Mumbai, India*
10th Indian Certificate of Secondary Education	**Grad. - 2020**
Institution – Swami Vivekananda High School. (Percentage: 83)	*Mumbai, India*

Projects

Pharmacy Management System   2023
Developed an e-commerce website using Java, MySQL, Python, and Tkinter for efficient management of pharmaceutical operations. The platform enables pharmacies to manage inventory, process orders, and serve customers online, enhancing operational efficiency and reducing manual errors with a user-friendly interface.

Job Portal Website   2024
Developed a job portal website using the MERN stack, along with HTML, CSS, and JavaScript. The platform facilitates job search and recruitment processes by enabling users to post and apply for jobs online, providing a seamless experience with a responsive and user-friendly interface.

Technical Skills

Languages/Technologies: Python, C++, HTML, CSS.

Frameworks: Bootstrap, Tailwind.

Database: MySQL

Hobbies

- Cycling
- Chess
- Cubes.

Certificates & Achievements

Introduction to Cybersecurity By CISCO.
